FINAL June 2018

“Where Children Grow”

Principal's Message

Dear Parents / Guardians,

Thank you to everyone for a wonderful year. We are blessed to have such a positive, supportive community who respects the professionalism of our teachers. School Council has been tremendous in their support of our programming and fundraising to this endeavor. Our teachers work so hard all year long to support all students and certainly deserve a break from the late night planning and endless sets of marking. Support staff have also contributed to student learning and well-being throughout the year. Moreover, our secretary, Mrs. Leggo, has kept the ship afloat with her brilliant organizational skills and “get ‘er done” attitude. We look forward to seeing everyone in the fall when we are feeling refreshed and renewed.

Included, you will find the list of teachers for next year. We are pleased to welcome Amy Jackson (French/Library/Planning), Pamela Fischer (grade 2/3) and Alicia Morrallee (grade 7/8) to our permanent staff. We thank Laura Luloff, April Leeboddy and Kristen Wiffen for their amazing work and contribution to school life. We will say “au revoir” to Mme Johnson as she goes on maternity leave and welcome Ingrid Krkljus as our new French teacher. We also wish Brie Taylor all the best as she moves on to continue teaching at Newcastle Public School in September. We also acknowledge the work of Dan Bencze and Tara Karlsson as our Educational Assistants.

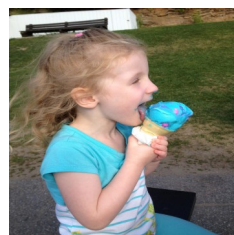

All of our teachers have spent many hours making decisions about class placements. Please respect their professional judgement as we honour their understanding of students’ strengths and needs and their appropriate placement of students in their new classrooms.

Regarding student safety, students are reminded to walk their bikes and scooters while on the property. They need to stay safely on the sidewalks and avoid going into the parking lot unattended. Also, in order to make our floors in the building less slippery and safer for all, we have started to use a new product that will be applied monthly. This has helped to make the floor more slip resistant.

Have a safe and happy summer break!

Sincerely,

Mme Haley-Twiss

Update from the School Council – June 2018

It is hard to believe another school year is over. I would first like to recognize and thank everyone who volunteered their time to help with this year's Fun Fair. It was a great evening and raised almost \$ 1,800.00 for the school. Way to go!

The *Healthy Hunger* school lunch program will be returning next year. Orders for September are already being accepted through your online account, and there is a draw for free lunches for the year for anyone placing orders before July 27th. Also our partnership with *M & M Food Markets* continues on throughout the summer months. Please mention Dr. Emily Stowe P.S. when purchasing from the King and Townline location.

I would like to take this opportunity to thank my fellow council members for a terrific year. We were able to support student learning in a variety of areas: literacy materials, the Scientist in the Classroom program, the music program, and classroom technology, just to name a few. The time and effort that you put into the School Council really makes a difference!

On a personal note, after 15 years of being involved at Stowe, my youngest child is moving on to High School in the fall and I will not be returning to School Council. It has been a pleasure to be involved in this school community, and I wish everyone all the best in the years to come. Keep up the amazing job you do making Stowe a great place to learn, work and volunteer.

I wish all of our students, staff and school families a safe and happy summer holiday! The first School Council meeting for the 2018/19 school year will take place on Monday, September 24th, 2018 at 6:15 PM in the school's library. Everyone is welcome to attend.

Dawn Chapell, School Council Chair
